ISAE Health Fund Draw 2022

Application for Shares

(Open to ISAE Members only)

Please help us raise money for health

We have provided free eye testing for Veterans at our shows in alternate years. We contributed £1000 to the bloat research project at the AHT and we are ready to help with health matters where we can. Each share costs £10 for one year. You may buy as many shares as you wish.

There will be two draws in 2021, one each at our Open Show in June and at our Championship Show in October. The prize money available depends on your generosity in buying shares but will not exceed 1/3 of the takings.

Please fill in the form below and return it to me with your cheque made payable to ISAE. Alternatively payment can be made by bank transfer, a/c name: ISAE, sort code: 30 10 75, a/c no: 00034332. Please use reference HS your postcode and as much of your surname as allowed.
