Correct proportions to head with soft expression, good reach of neck , good shoulder angulation and depth of chest.. Firm topline and strong hindquarters, moved well.

2. Turner's Gwendaiff a Gee an Tee for me
Bigger bitch than 1, more mature but her handler not getting the best out of hers o she was dipping in the middle of her topline. Pleasing head and general conformation is good but she could do with carrying a bit less weight. Didn't move as well as my winner
